RE: Case No. 2005-00472
Kentucky Utilities/Louisville Gas & Electric

Attention: Beth O'Donnell

I wish to intervene in the above case for the proposed electric transmission line.

I mailed you a letter today asking permission to express my concerns in opposition to the proposed alternative route at the 6 p.m. public hearing, February 1, at the Pritchard Community Center in Elizabethtown. I still wish to do that.

Please consider this my request to intervene.

Sincerely,

Loetta Glenn Morris, Property Owner
